PROMINEO TECH

Front End Technologies Week 1 Coding Assignment

Points possible: 70

Category	Criteria	% of Grade
Functionality	Does the code work?	25
Organization	Is the code clean and organized? Proper use of white space, syntax, and consistency are utilized. Names and comments are concise and clear.	25
Creativity	Student solved the problems presented in the assignment using creativity and out of the box thinking.	25
Completeness	All requirements of the assignment are complete.	25

Instructions: In VS Code, or an IDE of your choice, write the code that accomplishes the objectives listed below. Ensure that the code compiles and runs as directed. Take screenshots of the code and of the running program (make sure to get screenshots of all required functionality) and paste them in this document where instructed below. Create a new repository on GitHub for this week's assignments and push this document, with your project code, to the repository. Add the URL for this week's repository to this document where instructed and submit this document to your instructor when complete.

Coding Steps:

1. Create a website using only HTML. The website can be anything you like (within school guidelines) as long as it meets the following criteria – website must contain:

   a. At least 3 pages

   b. Links to navigate between all pages present on each page

   c. A list

> d. 3 images
>
> e. 2 different size headers
>
> f. A table
>
> g. A form

Screenshots of Code:

```html
<!DOCTYPE html>
<html lang="en">
<head>
    <meta charset="UTF-8">
    <meta http-equiv="X-UA-Compatible" content="IE=edge">
    <meta name="viewport" content="width=device-width, initial-scale=1.0">

WELCOME TO THE POKEMON POKERESCUE

Greetings, My name's Nurse Joy and I need your help! There are lots of Pokemon that need a new home.

A list of all available Pokemon(with pictures) up for adoption is located below!
Feel free to click the **apply here** link to fill out an application form if adopting a Pokemon is something that interests you!
Don't forget! Pokemon are alot of responsibility so please visit the **more information** link to get a list of tips on how to best care for your new friend!

APPLY HERE
MORE INFORMATION

Below are all of the nice Pokemon who need a new home and a new friend!

- **Meet Mew!**

  Mew loves to play hide and seek. They also love popcron!

- **Meet Mew!**

  Mew loves to play hide and seek. They also love popcron!

- **Meet Abra!**

  Abra likes to take naps! His favorite color is terracotta

- **Meet Cubone!**

  Cubone has had a hard life but will easily warm up to you!

- **Meet Vulpix!**

  Vulpix has the sweetest smile! She loves long car rides and lofi music!

- **Meet Gastly!**

  Gastly may look scary but they are actually really nice. They love to dance the Macarena even though they don't have arms.

POKERESCUE APPLICATION FORM

Now that you have met your new best friend please select who you would like to rescue, enter your name, check the box if you promise to take care of your new friend & hit Submit!
